## LETTER OF RECOMMENDATION

### TO WHOM IT MAY CONCERN

This letter serves to confirm that the United Nations World Food Programme, (WFP), has been working **AFRICREST PROPERTIES (PTY) LTD.** since 2019 when Africrest took over the lease related to the Sunhill Park property occupied by WFP and other UN Agencies in Johannesburg.

WFP and Africrest liaise closely on various building management matters including but not limited to general maintenance, upkeep, leasehold improvements and construction-related. Africrest has a dedicated site manager available to provide support at all times.

WFP has found Africrest to be very accommodating in trying to fulfil our requirements. They act quickly and give matters arising the full attention deserved.

We have no reservations or hesitation in recommending **AFRICREST PROPERTIES (PTY) LTD.** Do not hesitate to contact us for additional information.

Regards
